

Jharkhand Steel Manufacturer Private Limited

Forging Strength. Building Trust. Illuminating India.

Jharkhand Steel Manufacturer Private Limited (JSMPL) stands tall among Eastern India's leading manufacturers of high masts, street light poles, and solar structures. Established in 2006 and backed by the Shiv Shambhu Group, a legacy founded in 1952 by Late Asharfi Lal Shaw, JSMPL combines decades of metallurgical expertise with modern engineering excellence.

With over 15 years of experience, JSMPL has been at the forefront of steel fabrication, supplying to government departments, PSUs, infrastructure projects, and private enterprises across India.

Fixed Roof Solar Structure

Stadium Mast

GI Pipes & Poles

Solar Street Light Pole

Our Products

- High Mast Lighting Poles – Reliable illumination for highways, ports, and industrial complexes.
- Stadium Mast – World-class visibility for sports arenas and event spaces.
- Fixed Roof Solar Structure – Supporting India's clean energy mission.
- Ground Mounted Solar Structure – Robust design for sustainable installations.
- GI Pipes & Poles – Hot-dip galvanized for corrosion resistance and longevity.
- Street Light Pole – Designed for smart city infrastructure.
- Electrical Power Distribution Pole – Reliable and safe design.

- Solar Street Light Pole – Eco-friendly illumination for urban and rural areas.
- CCTV Poles – Engineered for strength and stability.

Quality & Infrastructure

At JSMPL, quality is not an act—it's a habit. Our facilities operate under strict ISO 9001:2015, ISO 14001, and ISO 45001 standards.

We source raw materials from SAIL, Tata Steel, and other reputed suppliers, ensuring consistency and strength in every product.

Material	High-tensile steel plates (min. yield strength 355 N/sq mm)
Galvanization	7-tank hot-dip process ensuring 70–85 micron zinc coating
Design Life	25 years (extendable upon request)
Wind Resistance	Up to 300 km/hr as per IS 875 standards
Customization	Tailored designs and PU painting options available
