

SHIV SHAMBHU IRON & STEEL PVT. LTD.

Processing & Trading of
Iron & Steel Products

SSISPL

Introduction

Shiv Shambhu Iron & Steel Pvt. Ltd., established by Late Asharfi Lal Shaw and expanded by Mr. Shambhu Nath Jaiswal, has been at the forefront of the iron and steel industry for over seven decades. Our strategically located units in Jamshedpur and Howrah are designed for efficient large-scale processing and segregation of ferrous and non-ferrous scrap, contributing significantly to sustainable industrial practices. By focusing on recycling, we play a vital role in reducing carbon emissions and supporting a circular economy across the industries we serve.

Sustainable Product Solutions

At Shiv Shambhu, sustainability is at the heart of our operations. We specialize in recycling a wide range of ferrous and non-ferrous scrap, minimizing the need for virgin material production cutting down greenhouse gas emissions.

- We have a processing unit to convert Side Trimming Scrap into good quality binding wire
- We also have a Slitting & Blanking line where we process Rejected Slit Coil into value added products .

Mixed Scrap

Monthly 1000 MTS

4

Structural End Cuts

Monthly 500 MTS

5

Forging Scrap

Monthly 500 MTS

6

HR/CR Scrap

Monthly 500 MTS

Non Ferrous Scrap Products:

1

Aluminium UBC
(Used Beverage Cans)

2

Aluminium Talic

3

Aluminium
Ingots

4

Aluminium Deox

Why Choose Us

Sustainability Leadership:

Our operations contribute to environmental preservation by promoting recycling, reducing waste, and minimizing carbon emissions, aligning with global sustainability goals.

Diverse Scrap Solutions:

From ferrous to non-ferrous scrap, our products are designed to meet your needs while supporting green production practices.

Nationwide Supply Network:

We ensure reliable, uninterrupted supply to industrial hubs across Orissa, Gujarat, Kolkata, Raigarh, Raipur, and Delhi, helping businesses lower their environmental footprint through sustainable scrap usage.

ISO-Certified Green Practices:

We are certified under ISO 9001:2015 certifications ensure top-tier quality and safe operations.
